

Introducing Transcarriers

New & Improved

DRIVER REFERRAL PROGRAM

We believe our drivers are the best in the industry and in that belief we hope you have tons of qualified friends you would like to refer to the Tcar family. We pay our referral drivers top \$\$ for any referees that are hired!

And now its easier than ever to refer your friends. Go to your App store on your mobile phone and download the app "Driver Pulse by Tenstreet".

\$2000

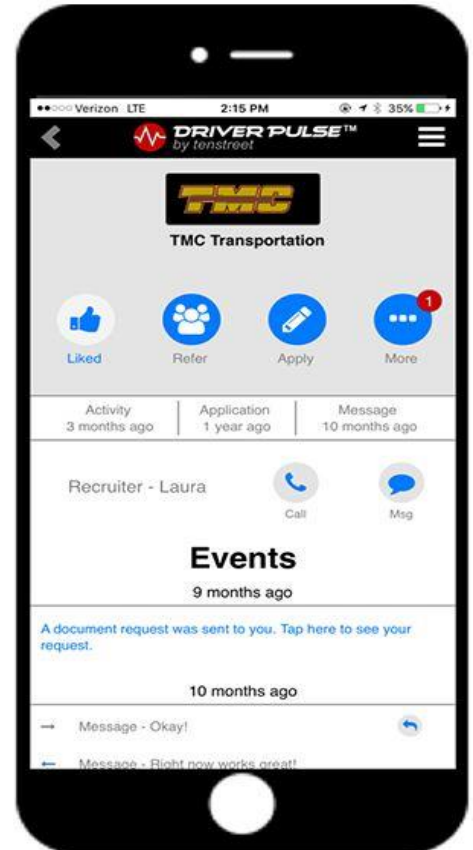

After downloading, follow the instructions to create a profile if you don't already have one. Then select "Connect" after you've filled in your basic information.

Once checked, search for Transcarriers, under the company profiles, then select "Refer".

Input the referred drivers first and last name, as well as an accurate phone number and email address.

We'll take it from there and update you thru the pulse app on the progress going forward.

Now you will be able to track the progress being made on your referred drivers. Not only that, it will also notify you once payment has been made! No more of the guess work!!
